

600W Solar Power Portable Backup Power Station

for Outdoors Camping Travel Hunting Emergency use

PN-C600 <<<

Battery: Lithium iron phosphate battery 24Ah/25.6V (614.4Wh)

Input: DC12-30V/65W , built-in solar panel input: 20W

AC Output: 110V/5.45A or 220V/2.73A (optional) pure sine wave,

600W AC continuous power and 1200W AC peak power

Car Charging port output: DC12V/10A DC output: DC 12V/10A (120W Max)

Type C output: 5V/3A 9V/3A 12V/3A 15V/3A 20V/3.25A

USB1 output: 5V/3A 9V/2A 12V/1.5A USB2 output: 5V/3A

Max output: 700W

Accessories: Wall charger, Car charger

Charging temperature: 0~45° C Discharging temperature: -10~45° C
